Class regulation and management

1. Time management (please tick your most appropriate session)

The morning, midday, afternoon and evening class should be strictly observed

Morning: 8:00am – 10:00am   Midday: 10:00am –12:00am

Afternoon: 2:00am – 4:00   Evening: 4:00 PM – 6:00 PM

                                                             6:00pm - 8:00pm

2 Teacher/student relationship

Maximum co-operation between teacher and students is expected

Teachers should be accorded the respect they deserve.

The teachers are expected to perform their duties professionally without negligence.

3 The church compound

The church compound is a holy ground, it should therefore treated like so and nothing should be done to make it unholy.

4 Assignment

Students are required to attend to all assignments, which their teacher gives them without failure.

DECLARATION FROM THE STUDENTS

I...will abide to rules and regulation, which governs this program, and the information herein is true to the best of my knowledge and belief.

Student signature.. Date...............................

...Therefore my dear brothers stand firm, let nothing move you. Always give yourself fully to the work of the lord because you know that your labour in the lord is not in the vain. 1cor. 15:58
